M244I	Tyson Fresh Meats Inc	<p>Category VI-Electric Prod/Alternative Object Use(9CFR 313.2) c. Being handled in a manner that does not minimize excitement, discomfort, pain, or injury (9CFR 313.2(a)&amp;(b)).</p> <p>On July 3rd, 2024 the following non-compliance was observed. While performing HATS category IV ante mortem inspection, CSI REDACTED observed the following, HATS category VI alternative object use noncompliance. CSI REDACTED and manager REDACTED were walking through the alley way between pens two and ten at approximately 1649 to 1700 and observed an establishment employee with an alternative object/flag wand. The employee raised the flag/wand object above his head and shoulder, excessively and aggressively striking the hog in the face and on the side of the face repeatedly trying to move them. CSI REDACTED and Manager REDACTED verbally ask the establishment employee to stop hitting the hogs so hard. The establishment employee responded by cussing at both CSI REDACTED and manager REDACTED Manager REDACTED again addressed the establishment employee to stop and closed the pen to avoid anymore hogs running through. CSI REDACTED notified the employees manger REDACTED of these findings and the establishment employee was removed form the pen area. Manager REDACTED was verbally notified that there would be a non-compliance issued.</p>
